

S THARUN

FRONTEND DEVELOPER

Email: stharon3864@gmail.com | Phone: +91 9347213386 | Location: Bengaluru, India

Profile summary:

Motivated and detail-oriented Frontend Developer with strong foundational skills in HTML, CSS, JavaScript, and responsive design. Experienced in creating clean, user-friendly interfaces and converting UI ideas into functional web pages. Completed hands-on projects during internship involving real-time website development and WordPress customization. Eager to contribute to a development team, learn new technologies, and build impactful digital experiences.

Education:

Graduated in Bachelor of Technology, Electrical and Electronics Engineering from Kuppam Engineering College – 2023.

Technical Skills:

Frontend Development

- HTML5, CSS3, JavaScript, Bootstrap
- Responsive Web Design (Flexbox, CSS Grid, Media Queries)
- Basic React

Frontend Development

- Basic SQL, Python

Tools & Platforms

- Git & GitHub
- VS Code

Additional Skills

- Cross-Browser Compatibility
- MS Excel, MS Office

Strengths:

- Quick Learner
- Team Collaboration

Internship:

Web Technologies Intern — DDU-GKY

Oct 2025 – Dec 2025

- Gained practical experience in building responsive web pages using HTML, CSS, and JavaScript.
- Developed confidence in frontend workflows, website maintenance, and user-centric design practices.

Projects:

Responsive College Website (HTML, CSS, JavaScript):

Developed a fully responsive college website using HTML, CSS, and JavaScript. Worked on structuring layouts, designing UI sections, adding interactive elements, and optimizing the site for mobile, tablet, and laptop screens. This project improved my understanding of real-time frontend development and responsive design practices.

Certifications:

Web Technologies Certification — DDU-GKY

- Completed certified training covering HTML, CSS, JavaScript, responsive design, and WordPress.
- Strengthened frontend fundamentals and gained hands-on project exposure.

Experience:

Worked as an MST at IBM through the payroll of EFS Facility services for 10 Months.
